

# Webinar series on FRAMEWORK FOR REOPENING SCHOOLS

## Webinar #6: The latest evidence

27 August 2020 (15:00-16:30 GMT+2)

### Background

Building on the [Framework for reopening of schools](#), issued by UNESCO, UNICEF, the World Bank and WFP, a webinar series has been developed to focus on support to national governments for re-opening schools amidst the COVID-19 pandemic.. This webinar, the xxx of the series, will highlight the latest evidence from the field on school reopening.

### Questions the webinar will address

The webinar will address the following questions:

- How are schools being opened safely?
- How are governments addressing the learning loss from schools being closed in 2020?
- What evidence exists with regards to ensuring an inclusive school reopening for the most marginalized learners?

## Format

This 90-minute Webinar will include 5 panelists from the co-leading organizations and selected countries around the world. A moderator will facilitate the discussion between the discussants on the three main themes. A Q&A session will follow the discussion.

## Audience

The webinar is primarily directed to ministry of education officials, education practitioners, and other interested partners and stakeholders.

## Technical platform

The webinar will be held in English, conducted through the Zoom webinar platform. The link will be provided on the following website: <https://en.unesco.org/covid19/educationresponse/webinars>
